**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic because their internet product was far superior in all ways to what I previously had with AT&T DSL (very slow and downtimes) and then later with Comcast (higher speed but constant downtimes and additional fees) in my area. It is not even close. I have had Sonic fiber for the past couple of years and now enjoy blazing speeds, constant up-time connectivity, and customer service beyond the competition. I wish everyone had the choice of Sonic as I have enjoyed. We need more competition in this space and not less.
